Hello Louis,
Your son Dave and I are two of the three key people behind Bitcoin:

If you have any of Dave's computer systems, you need to save a file named "wallet.dat". I will explain what this is later. Please understand, I do not seek anything other than to give you information about your son.

Know also that Dave was a key part of an invention that will revolutionise the world:

I will talk to you again soon.

When I can, I will let you know much more of Dave. I will also help you recover what Dave owned.

I will let you know when I am in the USA,
